CSEA Participates in the 2025 Annual Policy Dialogue

Club de Madrid hosted the 2025 Annual Policy Dialogue (APD25) on Financing for Sustainable Development, from April 3–4, 2025 at the United Nations Office in Nairobi, Kenya. Dr. Chukwuka Onyekwena, Executive Director, CSEA joined global leaders and policy experts to discuss strategies for advancing sustainable development.

The discussions focused on key issues such as debt relief for developing countries, reforms to global financial institutions and the credit system, and mobilizing resources through multilateral cooperation and development banks. The dialogue emphasized the need for a fairer and more effective global financial architecture.

CSEA's participation reaffirms its commitment to advancing inclusive financial reform and ensuring Africa's development priorities are represented in global policy conversations.
